

An aerial photograph of a densely populated hillside city, likely Amman, Jordan. The buildings are multi-story and built on a steep slope. In the foreground, a large, modern, multi-level building with a prominent staircase is visible. The overall color palette is warm and monochromatic, dominated by shades of orange and brown. The text is overlaid on the center of the image.

Tamayouz International Award 2017

For Excellence in Architecture, Urban and Landscape Design Graduation Projects Worldwide

Invitation to students worldwide

Tamayouz is delighted to invite students of Architecture, Urban Design, Urban Planning, Architecture Technology and Landscape Design worldwide to register and submit their Graduation Projects. An independent international jury will review all entries and will select the winners of Tamayouz International Award 2017. Prizes include: An **MSc Scholarship for 2 Years** at the Polytechnic University of Milan, **2 scholarships** for the Stadslab (European Urban Design Laboratory) master classes, Medals for 7 Honourable Mentions, supervisor the Year Medal, University of the Year Medallion. All the selected winners making the Top 10 list, the supervisor of the year and the university of the Year will be invited to attend our annual Tamayouz Excellence Award ceremony (Travel Expenses covered by the organisers of the Award).

TAMAYOUZ EXCELLENCE AWARD

The Iraqi Architecture Prize

Tamayouz Excellence Award (Established in 2012) is an independent initiative with no political affiliation, which aims to advance the profession of architecture both academically and professionally. Tamayouz drives the evolution of design excellence in Iraq and provides a healthy competitive environment for students and architects in Iraq.

"I am delighted to be a judge of the Tamayouz Award. There is a new, invigorated ethos of worldwide collaboration within architecture; a truly collective research culture where many contributions and innovations feed into each other. Talents flourish in this global movement and the Tamayouz Award will further link Iraq's architects with this international community." **Dame Zaha Hadid, DBE - 2012**

In 2016 Tamayouz Award Launched an International Excellence Award for Graduation Projects worldwide. This Award is open to architecture, urban design and planning, landscape design and architecture technology students around the world to submit their graduation projects.

Aims and Objectives

Of the Tamayouz International Award

A Platform

Tamayouz International offers the opportunity of future collaboration between the participants in this award by bringing them together through its events and network. It is also a platform to share different experiences in design and its teaching methods.

Recognise

To recognise excellence in graduation projects and showcase good examples of architectural work worldwide. Also, it is an opportunity to bring together projects from all over the world in one place.

Celebrate

Celebrate the achievements of young architects and give them confidence to pursue their careers knowing that they can contribute towards the advancement of architecture in their communities.

Empower

Recognising talents at an early stage and giving them the opportunity to collaborate and support each other, empowering a generation of young architects.

Jury Boards

The Jury Boards of Tamayouz Excellence Award always comprised of world class architects, engineers, planners, designers and academics

2012: Dame Zaha Hadid, DBE - UK Jury Chair

2014: Professor Paul Ivey - UK Member of the Jury Board

The Tamayouz Award judges during the ceremony in Amman - Jordan

2016: Tamayouz Excellence In Graduation Projects,. Jury Board for the Graduation Projects Category convened at Coventry University

Sponsors

Current and former sponsors

Voluntary contributions sustain Tamayouz Excellence Award and affirm support for the excellence culture we strive for. Funding for Tamayouz Excellence Award comes from academic institutions, foundations and international organizations. A number of donor companies have made generous commitments to reach this objective. In 2015 a CSR Board (Corporate Social Responsibility Board) was established to further link Tamayouz to the community and industry.

some of our current and former sponsors:

The Iraqi Business Council in Jordan,

Dewan Architects and Engineers, Coventry

University, The United Nations Global

Compact - Iraq, Ayad Al Tuhafi Architects,

Tradex Global Ltd, Eastern Holding Group,

Artigiani Mondo, Malachy Walsh and

Partners and Zaha Hadid Architects.

Eligibility

Only if all the following conditions apply then you are eligible to participate

- You (if Participating as an individual) or your team members (if participating as a team) are expected to graduate between **01/09/2016 and 31/08/2017***.
- Participants to submit work done only in their final year of studies regardless of the project nature, programme, budget and scale (Students can submit graduation projects or any other final year design project as long as it was produced in their final year of study).
- If a Team / individual would like to submit more than one project then each submission will need to be registered as a separate entry.

*Finalists will be asked to provide Proof of their status as a final year student graduating during the specified period.

Schedule

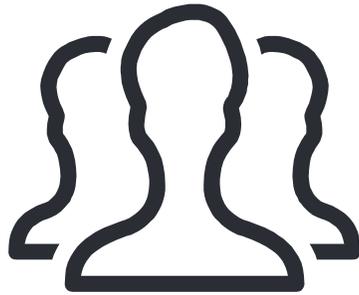

ASSESSMENT CRITERIA 2017

Tamayouz Excellence Award is dedicated to supporting aspirational and transformative projects tackling local and global challenges, informed by a holistic understanding of context.

Entry Registration#:	Judge:
Criteria	Comments
RELEVANCE – a clear declaration of conditions that set the contextual parameters of the project through identification of local and/or global challenges.	
RESPONSE - aspirational and original projects with programmatic response to existing environmental and social conditions.	
RESOLUTION - spatial, material and technical justification. Clarity of project process.	
IMPACT – Clear definition of positive transformative social, spatial and environmental impact of the project.	
VISION – aesthetic, material and technical ambitions.	

REGISTRATION

Deadline for Registration is 08/ August / 2017

Individuals and Teams

This is the registration option open for individuals and Team who their University is not listed as an Institutional Sponsor and there is no National Sponsor for their country*. Registration Guide in the following page.

**Since it is only the second year of this award it is possible that neither your institution or a country sponsor has sponsored the award, for this reason we advise you to register on your own.*

Institutions

This option is open for Institutions interested in sponsoring their students to participate in Tamayouz International Award, this type of registration is suitable for Institutions interested in showcasing their students' work on a global platform. Please [contact us](#) if you are a representative of your university or think your university might be interested in sponsoring its students to participate in an International Award.

National Sponsors

If you or your organisation are interested in sponsoring the students of your country as part of a Corporate Social Responsibility program to support the young graduates of your country, please [contact us](#) and we can discuss with you the benefits of such sponsorship. By becoming a **National Sponsor** it means you give the opportunity to all young architects in your country to participate in this international award.

How to register

Registration and payment steps for individuals and teams only

CONFIRMATION

[Click here to start registration](#)

Step 1 Confirmation

Confirm you will be providing correct information and agree to the terms and conditions of the award.

At the end of Step 3 you will receive a confirmation of payment instantly and registration.

Trip to Petra

What does our winners say

Nipun Prabhakar - India
Third Prize - 2016

"It is true that we live many little lives in our one big lifetime. This trip was one of that little life that I will cherish forever. People I met were the best in what they do and believe in. Inspiration will be an understatement for what they gave me. My time in Jordan changed my perspectives and gave me hope on how initiatives like TAMAYOUZ can change the world through love and compassion".

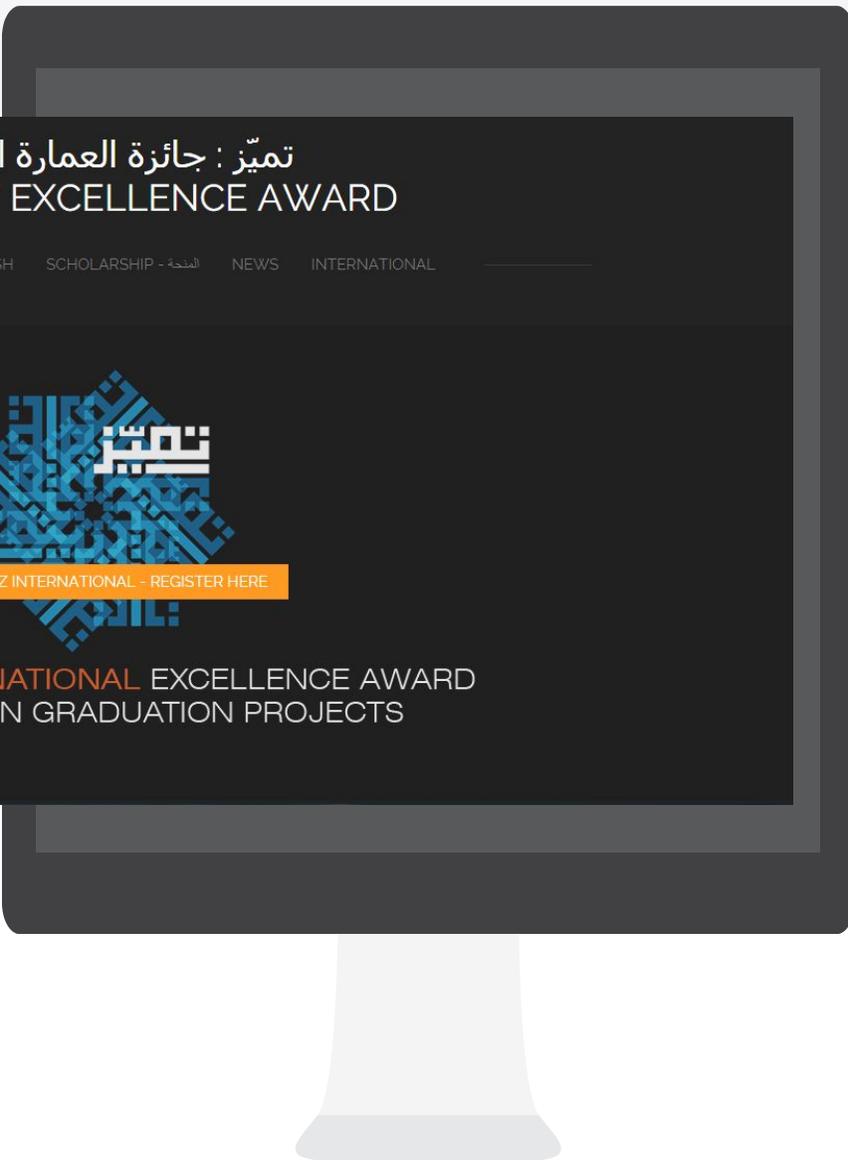

Ruaa Al Janabi - Iraq / UAE
Honourable Mention - 2016

Being one of the Winners is the beginning of an exciting journey that offers a once in a lifetime opportunity to make a difference not only as a youth, but as an Iraqi woman. Tamayouz Excellence Award was established to shed a light on young architects, giving me new ideas and a chance to get to know best people who think in different inspiring ways that I will admire forever".

Lucia Alonso - Spain
Honourable Mention - 2016

"Sometimes dreams come true, and this time, It was Tamayouz who made it come true, through this experience in Jordan I discovered different visions. The people I met ,each one of them, was interesting in their own unique and special spirit, which gave me an inspirational push for the future and a new way of looking at the world".
