

What percentage of Auckland's 1.7 million people do you think have a driver's licence?

How did you get here?

What percent of Auckland's on-street parking spaces across the whole urban area do you think require payment?

Why do we live in urban areas? What do we value?

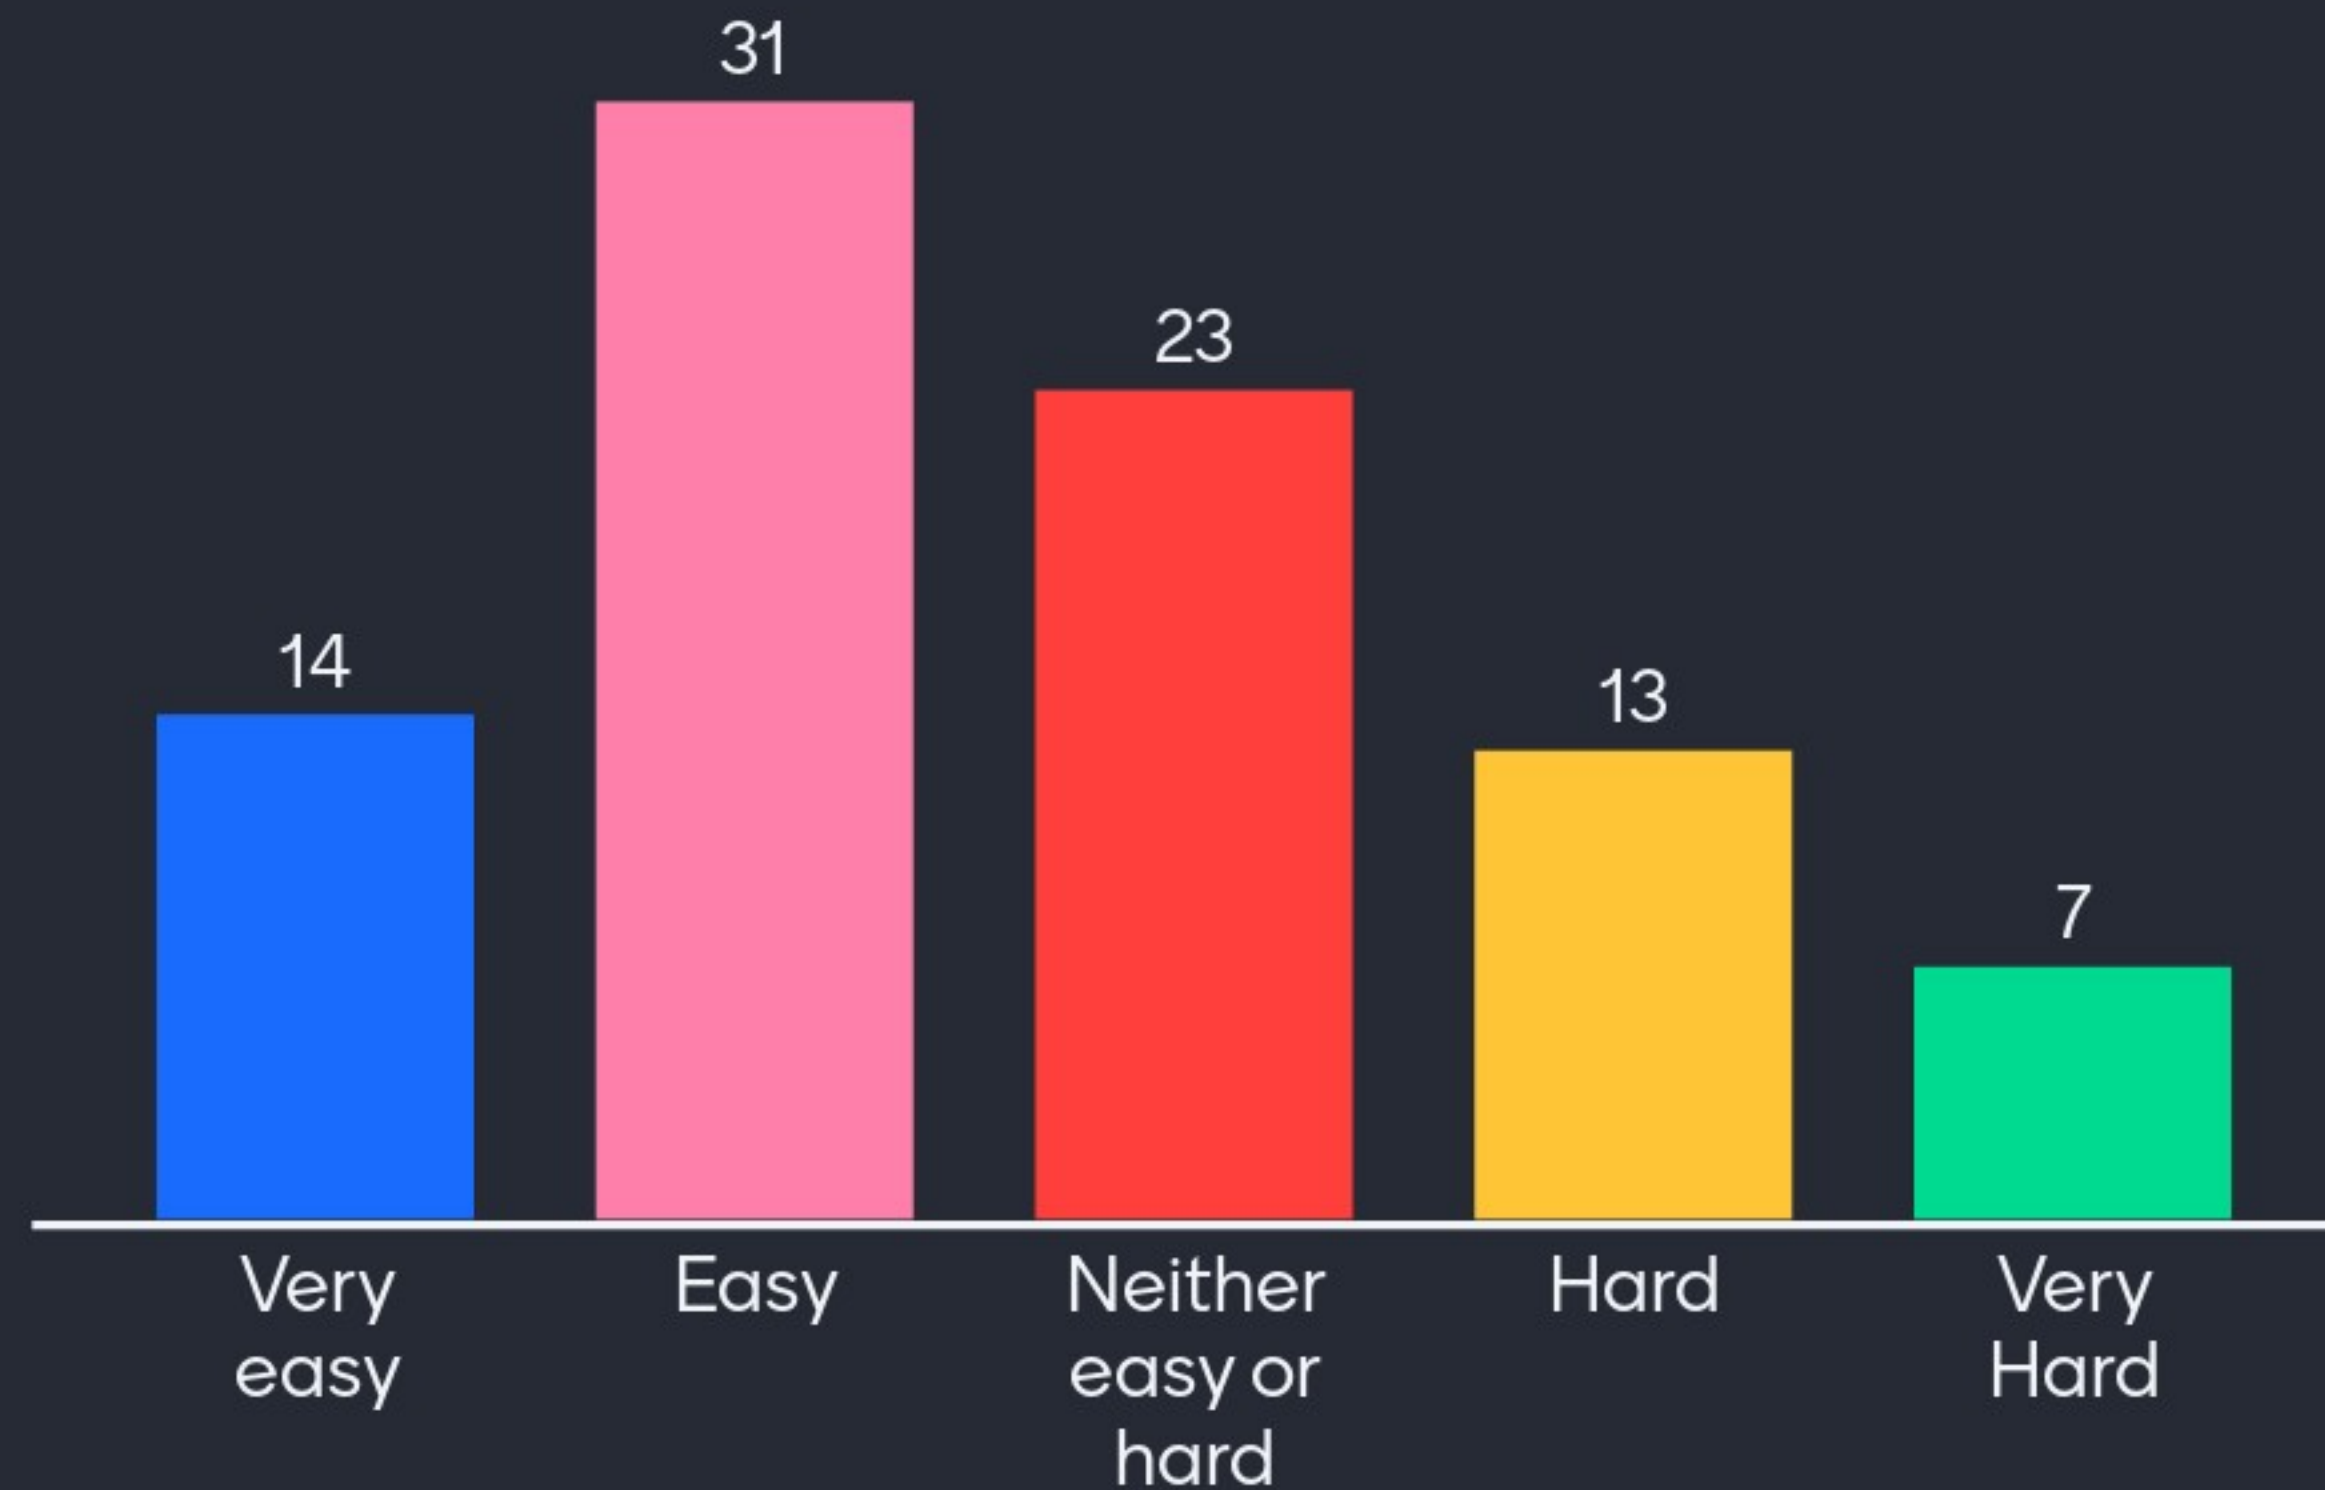

231 Responses

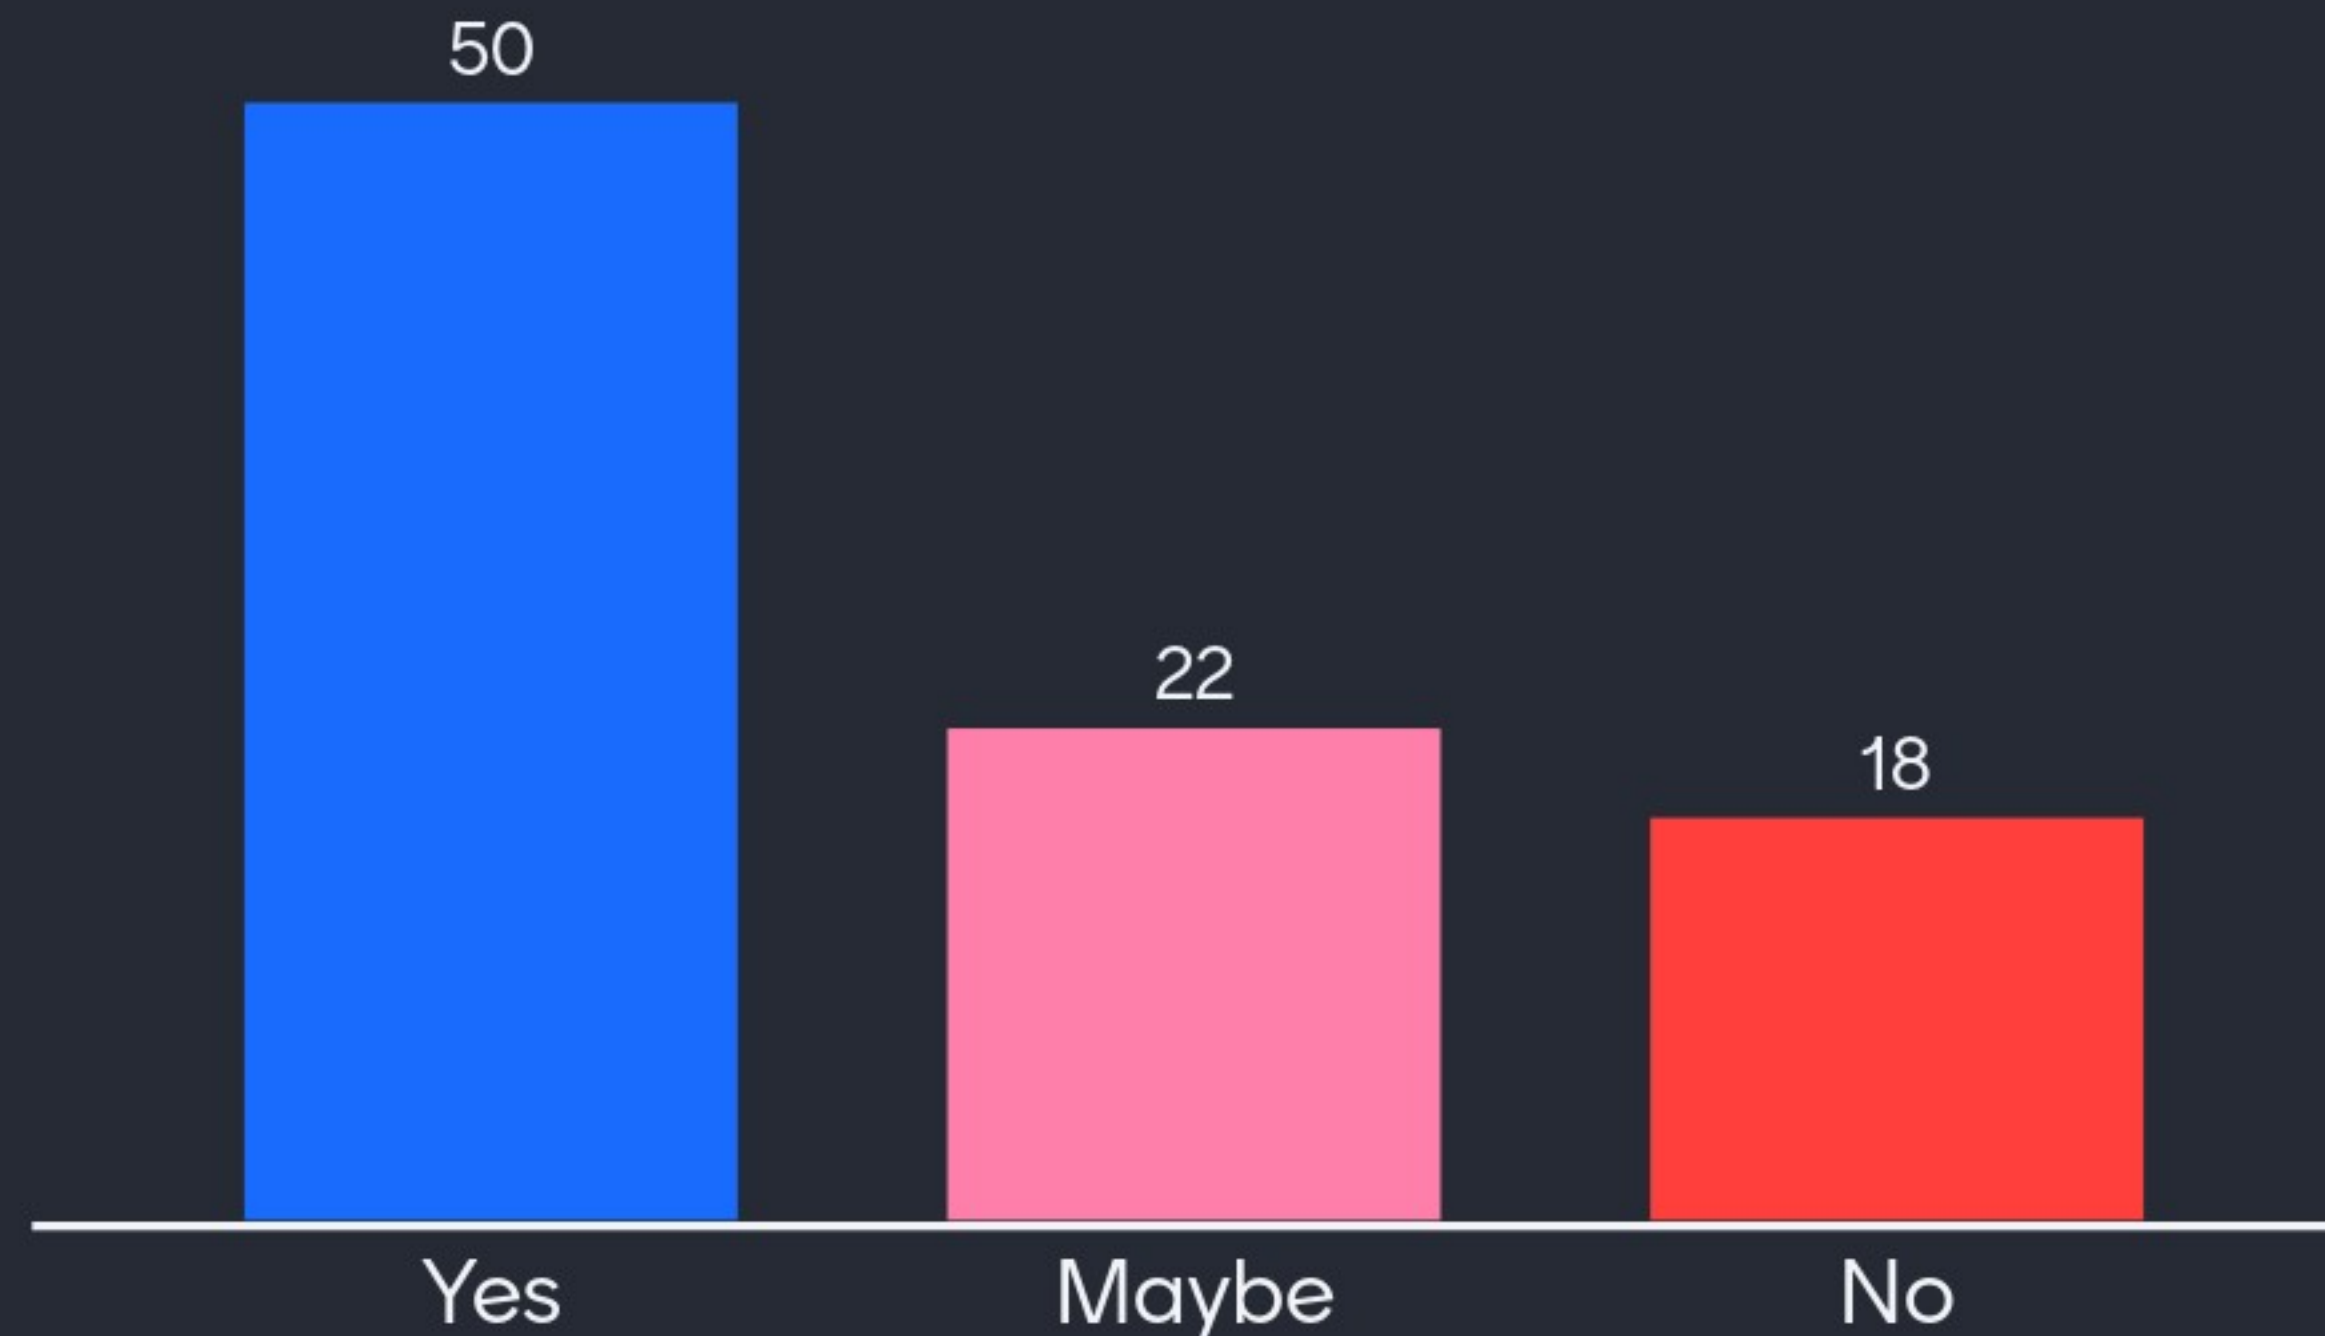

What do we value with regard to transport?

How easy is it to get to work/education/activities?

Would you change the way you get to work/school/activities if you could?
