Make more food! [30 Recipes to use up food scraps](#)

Te kohinga o ngā rukenga kai - Food scraps collections

Give us your rukenga kai and we will turn them into clean energy and liquid fertiliser to grow more kai.

Just put them into your food scraps bin and the

Council will collect them weekly on your [council collection day](#). Aiming for zero waste by

2040 and keeping your food scraps out of the rubbish is a great way you can help. Check

online if your property is in a collection area and if you will receive a food scraps bin. You

can also sign up for reminders about when your food scraps bin will be delivered and when collections start in your area.
