24. REMUNERATION

- 24.1** On call/availability: The payment of on-call/availability allowances to an employee will be the same as the on call/availability payment paid by the Health Care Provider to clinical staff of comparable experience at the same site and working in the same Department on the same roster, or paid by another agency where appropriate. Note: the result of job sizing may result in payment for additional "tenths" where this is recoverable from the health care provider for whom the clinical and associated duties are performed.

- 26.2** Where clinical duties are contracted to a Health Care Provider, then the University will apply the same principles as applied by the Health Board in determining the relevant hours of work, for the work done by Waipapa Taumata Rau | The University of Auckland employee, provided the costs are recoverable and consistent with the hours contracted between Waipapa Taumata Rau | The University of Auckland and the Health Care Provider.

A primary goal of the University and the various Health Care Providers is to ensure that the quality of clinical services contracted is of the highest possible standard and to foster the desire to ensure a close and harmonious relationship between clinicians employed by both parties.

- 27.2** The Employee will maintain the standard of clinical care and professional conduct as required by the respective Clinical Director or equivalent of the Health Care Provider to which the Employee provides clinical services.
- 27.3** The Employee will comply with the University's obligations to the Health Care Provider to give adequate notice of any change in scheduled patient contact as outlined in 26.4 below.

Except in exceptional circumstances (e.g. illness), staff of the University will provide notice to the Health Care Provider of any change in scheduled patient contact. - 28.2** In recognition of the rights and interest of the public and the health service and of the Employee's right to academic freedom, employees may enter into public debate and dialogue over matters relevant to their professional expertise and experience. Where such debate could involve criticism of the Health Care Provider, to which the University provides services, the Employee shall discuss the matter first with their academic head. Without the prior agreement of the dean the Employee may not speak on behalf of, or be perceived as being a spokesperson for Waipapa Taumata Rau | The University of Auckland.

29. SPECIAL CLINICAL LEAVE

- 29.1** Special Clinical leave shall be provided as follows:
 - a) One day shall be provided for each ten percent of full time duties that are performed in hospitals with a maximum entitlement of five (5) days per annum.

- 29.3** Any entitlement to unused clinical leave at the end of the calendar year will expire, clinical leave will not accrue from year to year;
- 29.4** The arrangement relating to clinical leave as agreed by the variation will commence on January 1, 2020 (commencement date). It will not apply retrospectively, so clinical leave accrued prior to the commencement date will be administered in accordance with the provisions governing annual leave.

Staff absent from their normal place of work are expected to provide the academic head with contact details.

36.2 Annual Leave

36.2.1 Academic staff are entitled to, and expected to take, five (5) weeks annual leave per year of continuous service, free of University duties. Annual leave should be taken by agreement with the academic head taking into consideration the staff member's personal and family needs and should normally be arranged out of teaching time. Staff are expected to make annual leave arrangements with their academic head as far as possible in advance of the proposed period of absence. When an academic head wishes to take annual leave, the Dean of the Faculty should be notified of the dates and who will be looking after the affairs of the school/department during the academic head's absence.

36.2.2 The Employer may require the Employee to take annual leave on Easter Tuesday, the last weekday before Christmas and the three working days between Christmas and New Year.

Staff wishing to apply for periods of more than four weeks will be expected to utilise their research and study leave entitlement by taking condensed leave or else to take leave without pay.

36.4 Leave without Pay

36.4.1 All requests for leave without pay must be approved by the Dean, on the recommendation of the academic head. Where the leave is for an extended period, the Dean will need to be satisfied that teaching and/or research in the department will not be adversely affected.

36.4.2 The maximum period for which leave without pay will be approved is two years, except that in exceptional cases, where there are strong academic reasons and support from the academic head, consideration may be given to extending this to three years.

36.7.2 Bereavement leave provided for under 36.7.1 may be taken in the event of a miscarriage or stillbirth.

36.7.3 In granting time off, and for how long, the Employer must administer these provisions in a culturally sensitive manner taking into account:

- a) the closeness of the association between the Employee and the deceased, which association need not be a blood relationship;
- b) whether the Employee has to take significant responsibility for any or all of the arrangements to do with the ceremonies resulting from the death;
- c) the amount of time needed to discharge properly any responsibilities or obligations;
- d) reasonable travelling time should be allowed, but for cases involving overseas travel that may not be the full period of travel;

- 36.7.4 If paid bereavement leave is not appropriate, then annual leave or leave without pay should be granted, but as a last resort.
- 36.7.5 If a bereavement occurs while an employee is absent on annual leave, sick leave on pay, or other discretionary leave on pay, such leave may be interrupted and bereavement leave granted in terms of the preceding clauses. SCHEDULE 5: REDUNDANCY PROVISIONS

37. REVIEWS & RESTRUCTURES

- 37.1** Refer to the [Review and Restructure Policy and Procedures](#).
- 37.2** Where the Employer carries out a review or restructure of any of the positions covered by this agreement, and such a review or restructure has the potential to affect the job security of any employee covered by this agreement, the Employer will enter into a process of consultation with the affected employee(s). Such consultation shall commence as early in the process as possible, and at least one month prior to any final decisions being made provided that in specific instances this period may be reduced by mutual agreement with the employees(s) concerned. The purpose of such consultation is to allow the parties sufficient opportunity to investigate options in good faith which would prevent any loss of employment.
- 37.3** The University's approach to surplus situations shall be to explore the possibility of using redeployment, retraining and/or early retirement. Where reasonable efforts to place surplus staff through these options prove unsuccessful redundancy provisions may be invoked.
- 37.4** Employees shall receive not less than six months' notice of the termination of their employment by reason of redundancy, or such shorter or longer period as may be agreed between the Employee and the University. They shall have the option to work out their notice where that is practicable.
- 37.5** Employees who have been given notice of redundancy will within the period of notice be given reasonable time, on full pay to make arrangements to seek new employment. These arrangements may include, for example, help in the preparation of a CV, job training, counselling, financial management, or attendance at job interviews. The Employer will meet reasonable costs.

EMPLOYEE PROTECTION PROVISIONS

- 37.6** This clause applies to restructuring (as defined in Section 69OI of the Employment Relations Act 2000) and therefore will apply where the Employer intends to enter into a contract or arrangement under which its business (or part of it) is to be undertaken by another person or business, or where the Employer's business (or part of it) is to be sold or transferred to another person or business.
- 37.7** In the event a restructuring will affect employees, the Employer shall, as soon as is reasonably practicable, (taking into account the commercial and confidentiality requirements of the business), commence negotiations with the other party involved in the restructuring (the "Other Party") concerning the impact of the restructuring on every employee.
- 37.8** In those negotiations, the Employer will, subject to any statutory, commercial confidence or privacy issues, provide the Other Party with all information about the Employees who will be affected by the restructuring, including details of their current terms and conditions of employment.
- 37.9** The Employer will encourage the Other Party to offer all affected employees, employment on no less favourable terms and conditions of employment than they currently enjoy with the University. However, whether the Other Party offers an employee(s) ongoing employment and on what terms and conditions, will ultimately be the decision of that Other Party.

37.10 Where the Other Party decides to offer affected employees employment, the following options may be offered:

37.10.1 The Other Party offers the Employee employment on terms and conditions which are the same as or no less favourable than their existing terms and conditions including recognition of the Employee's previous service. The Employee may accept this offer to transfer to the Other Party or they may decline the offer. Whether the Employee accepts or declines the offer, they will not be entitled to any redundancy compensation from the University.

37.10.2 The Other Party offers the Employee employment, but the offer is on terms and conditions that are less favourable:

- a) If the Employee accepts the offer, the Employee will not be entitled to any redundancy compensation from the University. However, the Employee has the right, with support from their union, to negotiate with the University over the terms and conditions which might apply to the termination of their employment with the University and acceptance of the offer from the Other Party.
- b) If the staff member declines the offer and no suitable alternative position exists, they will be entitled to redundancy compensation as set out below.

37.10.3 If the Employee is not offered employment by the Other Party, then the University will consult with the Employee regarding whether there are any suitable alternative positions available. If none can be identified or offered to the Employee, then they will be entitled to two months' notice and redundancy compensation as set out in this agreement.

REDEPLOYMENT

37.11 The conditions under which employees may be redeployed to alternative duties within the University are as follows:

37.11.1 Employees may be deployed to a position at the same, higher or lower salary.

37.11.2 Where the new position is at a lower salary, an equalisation allowance will be paid for a period of two years to preserve the salary of the Employee in the old position at the time of redeployment. Note: If the Employee gives notice of their intention to retire within 5 years of redeployment to a position carrying a lower salary, there shall be no financial disadvantage with respect to non-salary entitlements.

37.11.3 The equalisation allowance will be paid as an on-going allowance for two years equivalent to the difference between the present salary and the new salary. The allowance will be abated by any salary increase for the new position during the two-year period.

37.12 Employees who are offered a position in the University which by mutual agreement is comparable to their existing position, noting that such agreement is not to be unreasonably withheld by either party, and who decline appointment, will not be eligible for redundancy compensation.

37.13 Where an employee agrees to be redeployed into a position that is not comparable to their existing position, or the Employee has accepted a comparable position that is subsequently found by the Employee to be not comparable to their existing position in good faith, the Employee may within the first six months in the new position and after consultation with the Employer to explore other options, elect to resign by giving the appropriate notice. The Employee will receive a severance payment calculated on the salary and service of the Employee immediately prior to the time they were initially redeployed.

37.14 In the case of redeployment into a fixed term position which by mutual agreement is comparable to their existing position and which then ceases to exist, and the Employee is not further redeployed, the Employee's employment agreement shall terminate and the Employee will be paid severance on the following basis:

37.14.1 A sum equivalent to that provided below, or a sum equivalent to the salary due for the balance of the term of the agreement, whichever is the lesser; or

37.14.2 Such other compensation as may be agreed in writing between the parties.

38. REDUNDANCY

38.1 Upon leaving the University because of redundancy the Employee shall be offered a severance payment as follows based on continuous service with the University:

- a) Six weeks ordinary pay for the first year (or less) of service to the University.
- b) Two weeks ordinary pay for the second and subsequent years or part thereof.
- c) The maximum severance payment under this sub-clause shall be 40 weeks ordinary pay.
- d) Not less than 6 weeks' pay in lieu of notice, where the Employee and University mutually agree to an earlier termination date than that provided under clause 37.4 in this schedule.
- e) The University shall make a payment in lieu of all outstanding leave.

The University may pay reasonable expenses associated with national or international travel associated with seeking new employment, or associated with relocating the Employee, providing that such costs shall be deducted from the above severance payment.

38.2 Severance payment for a fixed term position that ceases to exist will be calculated on the basis of salary and service of the Employee, and will not be greater than the salary that would be due over the unexpired portion of the term.

SCHEDULE 6: RESOLUTION OF EMPLOYMENT RELATIONSHIP PROBLEMS

- a) that there is a problem; and
 - b) the nature of the problem; and
 - c) what action the Employee wishes to be taken in relation to the problem.
- 39.4** If for any reason the Employee feels unable to raise the matter with their manager, other suggested contacts are: Dean or Director, Human Resources Manager, Human Resources Advisor, Associate Director Staff Equity or Diversity, Equity and Inclusion Experience Lead.
- 39.5** In the case of a personal grievance (other than for sexual harassment), the Employee must raise the matter with the Employer within 90 days of the grievance occurring or coming to the Employee's notice, whichever is the later. In the case of a personal grievance for sexual harassment as defined in s108 of the Employment Relations Act 2000, the Employee must raise the matter within 12 months of the grievance occurring or coming to their notice.
