Gus Fisher Gallery delivers a dynamic public programme of events with diverse audiences in mind. New events are added regularly, so keep an eye on our website for updates!

Story Time

SAT 10 JULY, 11AM

Bring your kids along for a fun session of story time in the gallery with our friendly Gallery Invigilator, Briana Woolliams. These stories will be inspired by themes from our current exhibition *From our Beautiful Square*, which reflects on a period of global lockdown. We'll be reading *Windows* about a boy's observations through his neighbourhood windows on an evening walk, and *The Day the Lines Changed*, which explains what it means to live through a viral outbreak without ever using the words "pandemic" or "Coronavirus".

For children between the ages of 2 and 6. RSVP for free via our website.

This event is kindly sponsored by Unity Books.

Merata: How Mum Decolonised the Screen – Free Film Screening and Director Q&A

SAT 10 JULY, 4PM

Join us for a screening of archivist Heperi Mita's documentary film as part of this year's Matariki Festival. Learn more about Heperi's mum, Merata Mita, pioneering Māori filmmaker and international champion of women in indigenous film. This documentary portrait details how her filmmaking intersected with the lives of her children and indigenous filmmakers globally, and features rare archival footage dating back to 1977.

The screening will be followed by an audience Q&A with the director Heperi Mita. RSVP for free via our website.

Workshop: Monoprinting for Kids

SAT 17 JULY, 11AM

SAT 24 JULY, 11AM

Be inspired by the work of artist Salome Tanuvasa and her stunning artworks in the Dome Gallery of Gus Fisher Gallery. Using a fun monoprinting technique, create your own original artworks of lines, squiggles and lots of colour. All materials will be supplied, but spaces are limited. RSVP for free via our website.

Workshop: Felting and Feelings with Comedian Chris Parker

SAT 7 AUGUST, 2PM

Join self-described comedian, actor and semi-professional felt artist Chris Parker for this hands-on felting workshop. Over lockdown, Chris became known for his felting journey that he shared over Instagram. This one-hour workshop is an opportunity to come together to learn some basic felting skills and share in discussion some of the activities that helped us all through lockdown.

Basic felting materials will be supplied, but if you're already a bit of a keen felter feel free to bring your own!

This is a free event with limited spaces available. Registrations will go live on Tuesday 13 July.

Weekend Curator Tour

SAT 21 AUGUST, 1PM

Head to Gus Fisher Gallery for a tour of our current exhibition *From our Beautiful Square* with our curator Lisa Beauchamp. Lisa will take you through the exhibition, which looks to notions of time and interiority following a period of global lockdown, and talk through the various artworks spanning Aotearoa to Japan, the UK and Poland.

This a free, drop-in tour and will last approximately 45 minutes.
