

# BUILD A FLOWER WALL

GUS FISHER  
GALLERY

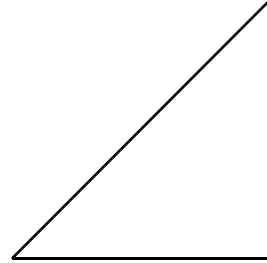

THE UNIVERSITY OF  
AUCKLAND  
Te Whare Wānanga o Tāmaki Makaurau  
NEW ZEALAND

①

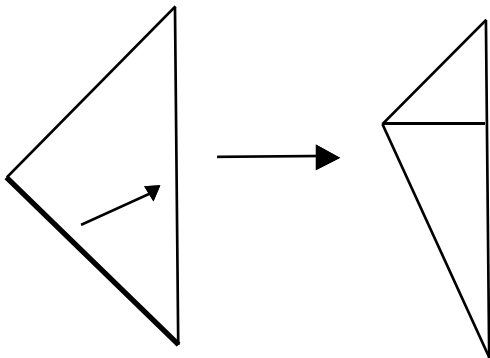

Take your paper square and fold in half diagonally to form a triangle

②

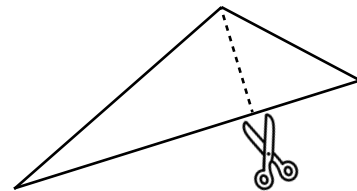

Fold in half two more times until you have a smaller triangle

③

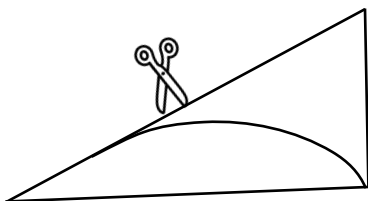

Rotate the triangle and fold the bottom short edge towards the long edge

④

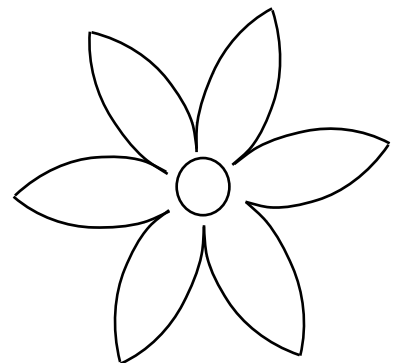

Cut along the horizontal edge

⑤

Draw a curve along the folded edge to create the shape of your petal and cut off the excess

⑥

Unfold the flower and decorate, then attach tape and stick on the wall
