CODES OF BEHAVIOUR - Craigburn Primary School Sports 2023

The Codes of Behaviour provide the basis for fair play for young people and encourage fun, friendships and play, in safe environments.

For the Player:

- Be punctual, both when arriving and leaving practices and games.
- Keep equipment neat and tidy and pack it away at the end of practice and matches.
- Play fairly and safely.
- Play by the rules.
- Cooperate with your Coach, team-mates, and opponents.
- Complete the full season of your chosen sport/s.
- Abide by decisions made by coaches and umpires.
- Encourage your teammates.
- Applaud all good play, by your team-mates and opponents.
- Participate for your own enjoyment and benefit, not just to please your parents and coaches.

For the Parents/Spectators:

- Remember that children participate in sport for their enjoyment, as well as yours.
- Focus on the child's efforts and performance rather than winning or losing.
- Encourage children always to play according to the rules.
- Remember that children learn best by example. Appreciate good performances and skillful play by your team and by opponents.
- Respect officials' decisions and teach your child to do likewise.
- Show appreciation for volunteer coaches, officials, and administrators. Without them your child could not participate.
- Be punctual, both when arriving and leaving with your child.
- A parent or carer leaving a child at a sports event (practice or game) must inform the coach or manager and negotiate pick up arrangements.
