IGNITE

Gifted Education Program

REGISTRATIONS CLOSING SOON

Register for the ACER Higher Abilities Test
before 19 February 2025

Higher Ability Test
Saturday 22 February 2025
9:00am-12:00pm

We're looking for gifted students for 2026 Year 7 intake who:

Love learning: Curious and excited about new ideas.

Special interests: Love to explore the world around them, deep diving into different interests.

Are self-motivated: Driven to independently explore topics, often in a unique way

Solve problems well: Think creatively to solve problems.

Are resilient: Keep trying even when things get tough.

Your child will take a special test called the Higher Ability Test (HAST) to see if they qualify. This test is designed to find students with natural talent in these areas.

If this sounds like your child, the IGNITE program could be a great fit and great chance to develop their personal and academic skills in a supportive and tailored environment!
