

Compulsory Events Year 9

The compulsory events at Joeys are a very important part of the development of individual students as well as the school community. In order to make it easier for you to plan your year, the compulsory events for Year 9 are listed below.

From time to time, other events will arise which the boys are also expected to attend. The dates of these events may not yet be finalised, however, in all cases, I will give you as much notification as I can and will also communicate this with the students.

Your support in the boys attending each of these events is greatly appreciated.
