

## Curriculum Vitae of Kari Vilonen

### Education:

1983 Ph.D. Brown University

### Career:

2015- Professor, University of Melbourne  
2009- Professor, University of Helsinki  
2000-17 Professor, Northwestern University  
1999 Visiting Professor, Harvard University (Spring)  
1998 Max Planck Institute, Bonn (Fall)  
1996-00 Professor, Brandeis University  
1991-96 Associate Professor, Brandeis University  
1989-91 Assistant Professor, Brandeis University  
1986-89 Benjamin Pierce Assistant Professor, Harvard University  
1985-86 C.L.E. Moore Instructor, M.I.T.  
1984-85 Member, Mathematical Sciences Research Institute  
1983-84 C.L.E. Moore Instructor, M.I.T.

### Fellowships:

2014 Humboldt Research Award  
2014 Simons Fellowship  
1997 Guggenheim Fellowship  
1991 AMS Centennial Fellowship

### Editorships:

Annals of Mathematics 2003-2009.

### Honors:

Foreign member of the Finnish Academy of Science and Letters

### Talks:

2016 Plenary talk, Australian Mathematical Society Meeting, Canberra  
2002 Current Developments in Mathematics, Harvard  
1998 Invited talk at the ICM in Berlin  
1995 Invited address at the AMS meeting at Hartford
