

Login Page

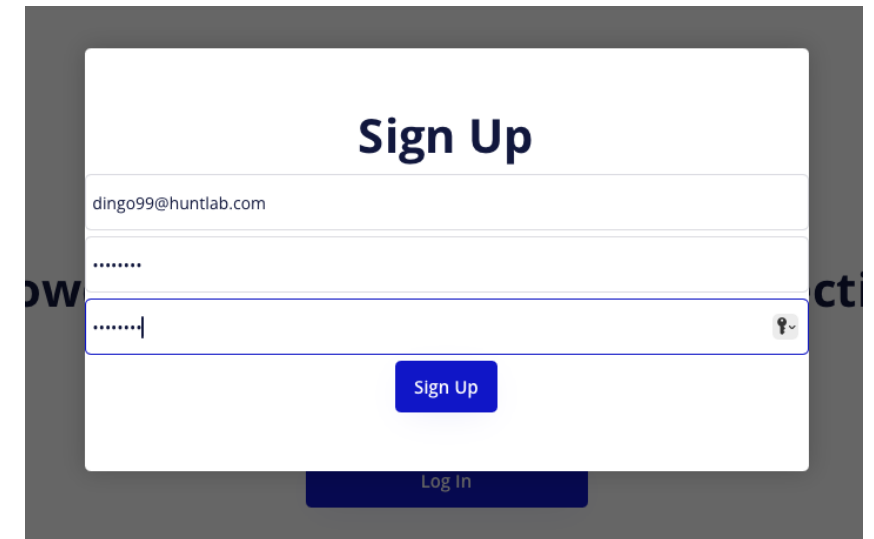

1. Visit: <https://huntlab-cmd.bubbleapps.io> to access the app.
2. Click the 'Sign Up' button to display the pop up in B.
3. Enter your **PROJECT EMAIL ADDRESS**, choose and confirm your password then click "Sign Up"

A.

Crowdsourcing Misinformation Detection

B.

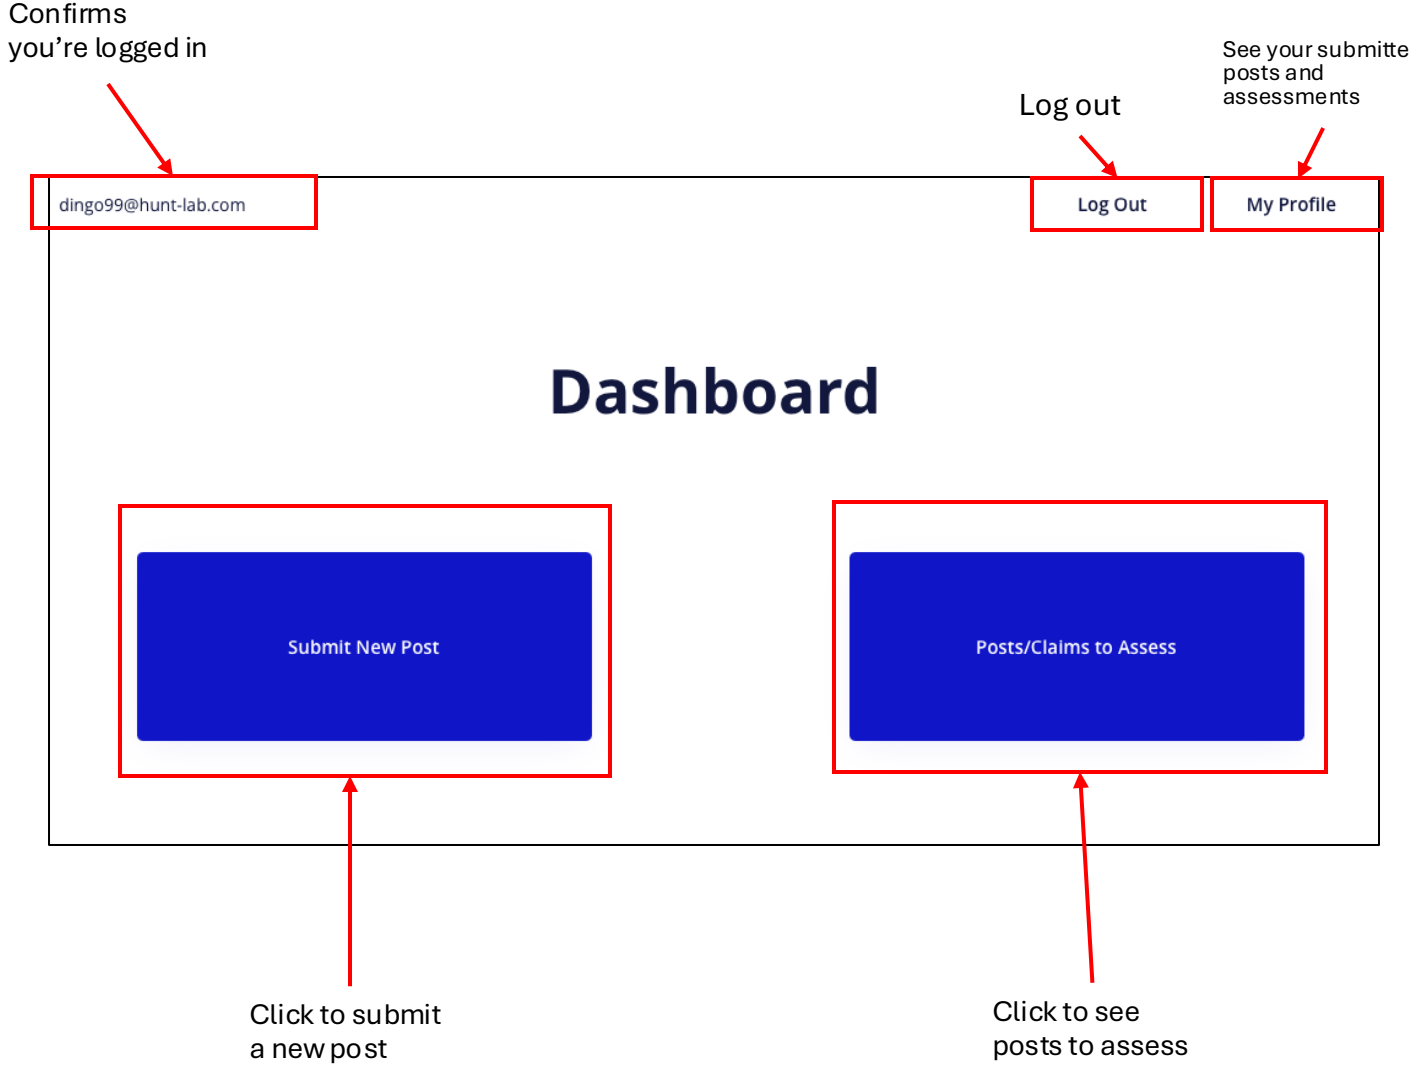

A screenshot of the 'Sign Up' pop-up form. The form is titled 'Sign Up' and contains three input fields: a text field for the email address (containing 'dingo99@huntlab.com'), a password field (containing '.....'), and a confirm password field (containing '.....'). Below the input fields are two buttons: 'Sign Up' and 'Log In'.

Dashboard

The Dashboard is your 'Home Page'.

- **Submit new post** – this will take you to the page where you can submit content you suspect is misinformation.
- **Post/Claims to assess** - this will take you to the page where you can see:
 - Posts/claims submitted by others
 - Posts/claims you HAVE NOT assessed yet.
- **My Profile** – this will let you see/edit any posts or assessments you have made.
- **Log out** – this button will log you out.

Submit Post

Enter post link here

Paste the link to the suspected post here.

What about the post are you assessing?

What label is the best fit?

Select the label that best classifies what you put in the box above

Slider control with a blue bar indicating confidence level.

Use the slider to indicate how confident you are that your label is an accurate description

Enter your reasoning here (optional)

If you wish, you can enter your reasoning behind the label you chose here.

Upload a screenshot of the post

Click this space to upload a screenshot of the post. Wait until you see the thumbnail before clicking 'Submit Post'

Submit Post

Add either:

- 1) The specific claim in the post you think is misinformation.
- 2) The overall message of the post you think is misinformation.

Submit Post

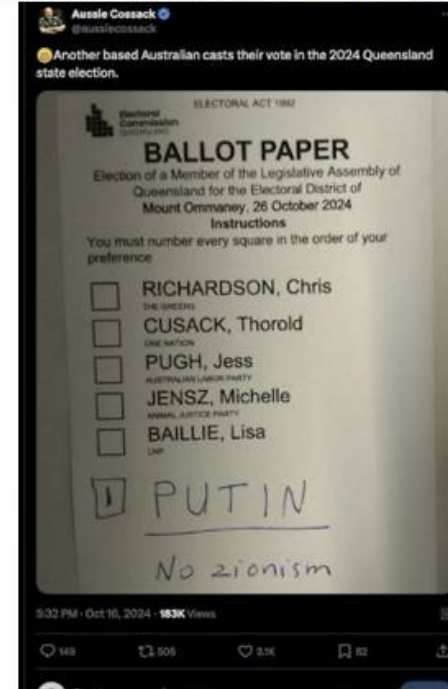

Use this page to submit content you suspect is misinformation.

Be sure to add all the details you can (you can return to edit later if you need to) to allow others to assess your submission.

Posts/claims to be assessed

URL:

<https://x.com/aussiecozack/status/1846439168282329531>

Claim to assess: The possible suggestion that this is a good way to vote

Claim initially labelled: Malign Influence - The post likely originates from a foreign entity and is an attempt to influence Australian public opinion.

Assess Post

URL:

Posts/Claims to be assessed

Here you will see a preview all the posts that have been submitted by others AND that you have yet to assess. Once you add your assessment, it should disappear from this page.

Click on 'Assess Post' to see further details about the post and make your assessment.

Post/Claim Assessment

This page allows you to enter your assessment of the claim/overall message of a post.

Enter how *you* think the claim/overall message should be labelled, along with your confidence and reasoning (optional).

Once you've submitted your assessment, you'll be taken back to the Dashboard.

This is the label assigned to the post/claim by the original submitter.

Post/Claim Assessment

URL: <https://x.com/aussiecosack/status/1846439168282329531>

Claim being assessed: The possible suggestion that this is a good way to vote

Initial Label: Malign Influence - The post likely originates from a foreign entity and is an attempt to influence Australian public opinion.

How should the claim/message be labelled?

(Optional) Enter your reasoning here.

Submit Assessment

Click the URL to open the post in a new tab

This is the claim/overall message associated with the post. This is what you are assessing.

Use the slider to indicate how confident you are that your label is an accurate description

If you wish, you can enter your reasoning behind the label you chose here.

Here are all the posts you have submitted. Click 'Edit' if you'd like to change what you entered.

My Profile

Here you can see all your submitted posts and assessments. Click 'Edit' next to the post you'd like to change.
