Skype: jiaanq@outlook.com
Phone: +65 9448 3265

Education **National University of Singapore**
Ph.D., Physics, 2016 – now.

Nanjing University
B.A., Physics, 2016.

Research Area Open Quantum Systems
Partial characterization of quantum channels
Study of quantum error process

Awards **NUS Research Scholarship**, 2016 –
National scholarship for outstanding students, 2015
CUPT second prize, 2014

Publications “Helmholtz Carousel” and “Honey Coils”, *Collection of Works for IYPT Problems (25th-26th)*, World Scientific Co. **2014**
