Dear Jamie

I was chatting to Murray Wright yesterday and he mentioned your name after visiting you at Concordia. He was telling me how impressed he was with your lesson on essay structure. Your confident, but not arrogant manner with students was particularly impressive and he even said that many USQ students could learn from you!

Congratulations Jamie! I love hearing about students like you. You have all the makings of a wonderful teacher. Keep going – at the end of this, you are going to make such a difference to so many young people’s lives. Thank you for working so diligently.

Kind regards
Nicole
