Dear Michelle,

As the Program Director for the Master of Learning and Teaching I am touching base to congratulate you on your work ethic.

Your Course Examiner Lisa Ryan has highlighted your excellent course engagement outlining you are always prepared to give things a go, while displaying a positive attitude in your interactions with other students on study desk. You have all the makings of a wonderful teacher. Upon completion of your studies, you are going to make such a difference to so many young people's lives. On behalf of USQ I wish you all the very best with your studies.

Thank you for working so diligently and inspiring others in their learning journey.

Well done Michelle.

Kind regards,

*Dr Susan Carter*
