Little Red Riding Hood

1. Once upon a time there was a small girl called Little Red riding Hood. She lived with her parents beside a deep dark forest.
2. Her grandmother lived in a cottage on the other side of the forest. And..... in the deep, dark forest lived a big bad wolf.
3. "Granny's ill," said little Red Riding Hood' mother. "Please take her this cake. But don't stop on the way!"
4. So Little Red Riding Hood set off into the deep, dark forestall by herself. She looked all around. There wasn't a sound.
5. Then who should she meet but the Big Bad Wolf!
6. "Good day my dear", growled the Wolf with a big bad smile. "What are you doing here?"
7. "I'm going to Granny's to take her a cake," replied Little Red Riding Hood.
8. The Big Bad Wolf had a wicked plan.
9. "Would your grandmother like some of these beautiful wild flowers?" he asked pointing to the flowers that grew all around.
10. "OOOh what a good idea." said Little Red Riding Hood. And she stopped to pick a big bunch of flowers for her grandmother.
11. Meanwhile the wolf went ahead through the deep, dark forest. At last he arrived at Granny's cottage.
12. "I'm HUNGRY," thought the Big Bad Wolf, licking his lips. And he knocked at the door of Granny's cottage.
13. "Hello Granny," trilled the Wolf in his highest voice. "It's Little Red Riding Hood".
14. Grandmother, who was a little deaf, opened the door and the nasty Big Bad Wolf ate her up!!
15. Then the Wolf put on some of Granny's clothes and got into bed.
16. Just then there was a knock at the door.
17. "Come in," said the wolf trying to sound just like Granny.
18. "Hello Granny", said Little Red Riding Hood. She walked closer to the bed and then she gasped. "Granny must be really ill," she thought. "She looks terrible".
19. "My what big ears you have Granny!" said Little Red Riding Hood

20. "All the better to hear you with my dear," said the Big Bad Wolf.
21. "And Granny, what big eyes you've got" added Little Red Riding Hood.
22. "All the better to see you with my dear," said the Big Bad Wolf.
23. "And Granny what very big teeth you have," said Little Red Riding Hood.
24. "All the better to EAT you with!" growled the wolf and he leapt out of the bed.
25. Little Red Riding Hood screamed and ran away.
26. Luckily a woodcutter was in the wood nearby and he heard Little Red Riding Hood's scream.
27. He ran to the cottage and hit the wolf so hard that Granny popped out as right as rain. The brave Woodcutter saved Little Red Riding Hood and Granny. They all lived happily ever after and the wolf was never seen again.
