## PERSONAL LEARNING NETWORK

# The PLN – Personal Learning Network

Your PLN is a reciprocal learning system designed just for you!  
*Create your own personalised network and share information, opinions  
and experiences with like-minded people from across the globe.*  
Apply a little intelligent filtering to the information overload out there.  
*Learn from others and contribute to others' learning.*  
Connect around ideas that you are passionate about.

### ***Find out how you can use the web 2.0 environment to:***

- expand your personal learning network,
- manage the information that web 2.0 provides,
- use web 2.0 for learning and teaching,
- develop your experience and skills in a web 2.0 environment.

This 12-week online program, enhanced with regular Elluminate how-to sessions, resources, exemplars and online mentoring offers you a 'hands-on' experience of a range of web 2.0 tools and activities. The program is designed for novices to the web 2.0 world as well as those who wish to further explore this interactive web environment.
