St Leonard's College Snowsports Club

Victorian Interschools Snowsports Championships

Any student in Prep to Year 12 who can competently link turns on a blue run is welcome to join the Snowsports Club. The Victorian Interschools Snowsports Championships are held at Mt Buller, both skiers and snowboarders can compete in the following events:

- Giant Slalom (timed through a gated race course)
- Skier/Boarder Cross (timed gated race course with some obstacles)
- Slopestyle (Division 1, 2 and 3 only – terrain park course with rails, boxes and large jumps)
- Moguls (bumps and jumps – for skiers only)

Please see vicinterschools.com.au for provisional timetable and further details.

Costs

To enter the competition students must first join the STL Snowsports Club. There is a \$175 fee to join the club, which helps cover some of the administration costs. Students will receive a STL Snowsports Club buff, which can be worn on the mountain. These are also available for parents to purchase.

The entry fee into the Victorian Interschools Snowsports Championships is \$69 per event, per person.

Competitors will also need a valid lift pass or season's pass. Interschools' lift passes are discounted (starting at \$76 per day) and will be available for purchase with their entry.

Please register your interest by completing the online form: [Click here](#).

Supervision and Accommodation

Please note that parents are required to supervise their child(ren) at all times during this event.

College staff are present throughout the week to support the students. Parents will be asked to assist with managing or marshalling roles for some events to ensure the safety of all competitors.

Parents are responsible for their own and their child's transport and accommodation. It is recommended that parents book accommodation as soon as possible, as there is limited accommodation on the mountain. Please see the Mt Buller Accommodation booking link: [Click here](#).

Dryland Training

The fitter you are, the longer and harder you can ski / board, the more you can enjoy it, and the less likely you are to injure yourself. Students in Year 7 and above are encouraged to join the Strength and Conditioning program at the College (\$35 per term, see STL Link for further details). We are planning to run a snowsports specific session once a week through Terms 2 and 3.

Some other fun team events will be organised closer to the event. More details will follow.
