

*PRINCESS AND THE PEA, LITTLE MERMAID, SLEEPING BEAUTY, and
SNOW WHITE wait at a wishing well.*

PRINCESS AND THE PEA

What could the emergency be?

SNOW WHITE

(into the well)

The emergency is *this wishing well!* Who has a coin? I wanna make a wish!

(hearing an echo, eyes wide)

Somebody's down there!

CINDERELLA

(entering)

Ok great, you all got my bird —

SLEEPING BEAUTY

Cin, what's going on, and what are you wearing?

CINDERELLA

I'll explain when we're all together — where's Pun?

PRINCESS AND THE PEA

I think her story's being read —

SNOW WHITE

What are you doing, Cin? You heard what the Narrator said!

CINDERELLA

I did. But well-behaved princesses rarely make history.

(then, re: the tower)

We're going up!

SLEEPING BEAUTY

Who us? Up? Can women do that? Won't our shoulders get broad? *Will birds still land on them?!?*
