15/7/2021

Dear Families,

The Victorian Premier, Dan Andrews, today announced 5-day Circuit breaker restrictions for all of Victoria.

Tomorrow, Friday 16/7, will be the beginning of remote and flexible learning for three days.

Bundarra Primary School will be closed to students except for those of Authorised Workers tomorrow, 16th July and next week on the following days: Monday 19th July and, Tuesday 20th July, 2021.

Students will have access to remote learning via Seesaw. The logins previously used will still operate. Contact the school tomorrow if you need assistance.

We are SUPER prepared for whatever comes next, staff have added things to SeeSaw ready for next week.

Parents and carers who are Authorised/essential workers seeking to access on-site learning must contact the school to obtain a request form.

Communication will be done through Seesaw, Skoolbag App and Email.

We appreciate your support and patience as we work through this time. We got this!

Tara Hulonce
Principal
