

Information for students in Year 3/4 for Remote and Flexible Learning for Monday 13th to Friday 17th of September

Dear Parents and Caregivers,

Thank you for your support during term 3.

As you would have read in yesterday's newsletter, unfortunately the 3/4 camp has been cancelled. Please look out for the Compass Notification regarding the process for refunds from Esther Cross.

Below you will find your child's small group meeting times for **Monday 13th to Friday 17th of September**. As a part of next week's program some lessons will require some materials. These include pens, paper, coloured pens/pencils, recycling materials and thick elastic or thick rubber bands. If you don't have access to these please don't worry, we will provide options and/or other alternatives.

Please note that **Wednesday the 15th is Term Four Planning Day**.

While the day will start with a whole class WebEx meeting there will be no small groups throughout the day. Instead, there will be detailed instructions posted on the 3/4 blog listing activities for the day. Teachers will also unpack this list during the morning whole class meeting.

Students will be able to select from a range of suggested activities and plan their day based on what materials and resources they may have access to. These activities will include a balance of hands-on tasks as well as using websites to explore some amazing places and activities. We will be asking students to aim not to spend all their time at the computer. As well as teacher guidance some students may require parent support to plan their day.

Friday the 17th, the last day of term.

All 3/4 classes will be meeting together in Lee Pregnell's WebEx classroom at 9am: <https://eduvic.webex.com/meet/pregnell.lee.1>

Teachers have some fun activities planned and it will be a nice opportunity for the whole cohort to see each other. Classroom teacher's WebEx classrooms will then be open between 10:00 to 11:00 and 11:30 to 12:00 for students who want support or to connect with their teacher and classmates. All students are then invited to join their classroom teacher's WebEx to catch up, play some games, share stories and eat lunch together.
