Students will find their day's work on the 3/4 Team blog (<https://sites.mpp.vic.edu.au/mpps3and4s/>), with each day's activities posted just after 4pm the previous day.

A reminder the expectation is that students in Years 3 to 6 are engaging in RFL for at least 3 hours and 15 min each day. Students participate in daily reading, writing, maths, science or wellbeing, mindfulness and 30 minutes of daily exercise. Students also participate in their specialist classes and may explore other areas of learning each day. Additional resources, activities and links are available on the 3/4 blog to extend your child's daily program in these other curriculum areas.

Specialist Class Times

This will be a chance for students to drop in and say hello, share their learning and ask any questions. Sessions will run for 15 to 20 minutes. This timetable and the links to Specialist WebEx rooms can also be found on the 3/4 Team blog.
