

Information for students in Year 3/4 for Remote and Flexible Learning for Monday 25th, Thursday 28th and Friday 29th of October.

Dear Parents and Caregivers,

Thank you for your support during Remote and Flexible Learning.

Next week 3/4s begin the transition to on site learning. We are very excited to see students back at School on Tuesday and Wednesday.

Below you will find your child's small group meeting times for Monday 25th, Thursday 28th and Friday 29th of October.

As a part of next Thursday's science lessons students will require some materials. These include uncooked long pasta, such as spaghetti, linguine or fettuccini, and small marshmallows. If you don't have access to these please don't worry, we have provided other investigations they can explore.

Students will find their day's work on the 3/4 Team blog (<https://sites.mpp.vic.edu.au/mpps3and4s/>), with each day's activities posted just after 4pm the previous day.

A reminder the expectation is that students in Years 3 to 6 are engaging in RFL for at least 3 hours and 15 min each day. Students participate in daily reading, writing, maths, science or wellbeing,

mindfulness and 30 minutes of daily exercise. Students also participate in their specialist classes and may explore other areas of learning each day. Additional resources, activities and links are available on the 3/4 blog to extend your child's daily program in these other curriculum areas.

Specialist Class Times

This will be a chance for students to drop in and say hello, share their learning and ask any questions. Sessions will run for 15 to 20 minutes. This timetable and the links to Specialist WebEx rooms can also be found on the 3/4 Team blog. Please note, the Arts lessons will now be held on site.
