

Dear Dad,
Annie is a BABY! She doesn't have any hair. And if she wore makeup, she would drool on it! By the way, did I mention Ethan broke my skateboard and lost my brand-new Captain Creepy action figure? The kid is out of control, Dad.
Love,
Your seriously upset child,
Alex

Dear Alex,

You know four-year-olds are a little careless. You were just like him at that age. Remember when you fell into the cake at Grandma's 60th birthday party? Good thing the candles weren't lit! Why don't you have a heart-to-heart talk with Ethan about respecting your property?

Love,

Dad
