

Dear Alex,
No can do.
Love, Dad
P.S. Stinky scares me.

Dear Dad,
It's more than the room. It's the principle of the thing! Why do I, the oldest and most important kid, have to suffer just because you and Mom had another baby? Does that seem fair? I don't think so.
Love,
Your number ONE son, Alex

Dear Alex,
Yes, you are very important to us, but so are your brother and sister. However, you make some good points. A boy your age needs his own space. Maybe we could build you a special place of your own.
Love, Dad
