Dear Council,

I hope you are well and 2022 is off to a great start.

ALSA is extremely excited to announce that we are expanding our Education Pod to include three new roles. Please see the attached media release. Subject to the motion being successful at Council from Feb 25-27, we are calling for applications to fill these positions, in addition to the Conference Convenor Elect for 2023 (Warrang - Sydney).

I've attached the new position descriptions which we intend to pass into the 'Roles and Responsibilities' ByLaw (in part) at Council to better explain what we expect the new Roles to do over the remainder of our term. We have tried to maintain the integrity of ALSA's approach to advocacy within these descriptions, while also allowing for flexibility in the role, as the first few officeholders will really assist in helping it take shape.

If you or any of your members are interested in applying please do so [here](#) by 14 February 2022. I have attached the role descriptions as well as the ByLaw which contains the details for Conference Convenor Elect.

If you could circulate this to your socials that would be immensely helpful! We want to make sure that we have offered this opportunity to students across the country.

Thank you for your support and patience while we got this off the ground - we can't wait to see how these roles take shape!

Kind regards,
Alana
